

The allure of exceptionally crafted audio.

True AKG reference quality sound in a beautifully refined, on-the-go package.

Reference class performance meets unlimited connectivity with the visually stunning and sonically superior AKG N20 in-ear headphones. Boasting reference sound quality the meticulously crafted AKG N20 sets a fine new benchmark for on-the-go audio enjoyment. Discerning listeners will appreciate the generous indulgence of premium materials, a fabric cord that helps avoid tangling and a semi-closed back design for superior acoustics and enhanced bass response. As an elegant embodiment of immaculate sound, N20 headphones also come with a complete accessory package that includes a flight adaptor, cleaning tool and carrying pouch to jump-start the audio action right out of the box.
